

Click Your Knitting Needles

Together to Prevent Infant Abuse

Create as many as you like – from 5 to 500, or any number in between, using *any newborn baby cap pattern*, and *any shade* of soft, baby-friendly PURPLE yarn. Make sure that at least 50% of the cap is purple!

Your knitted or crocheted caps will be given to baby boys and girls in November and December to help educate parents about the *Period of PURPLE Crying*, a normal, but frustrating period of increased crying all infants experience in the first few weeks and months after birth.

If you're interested in hosting a click event, please call us! Send your PURPLE newborn baby caps and the number of hats that you are sending by October 1, 2016 to:
